Visiting Controller Procedure
March 2021

Requirements

All controllers wishing to join BGvACC as a visiting controller must hold an S3 rating, with at least 50 hours, or above, as per the VATSIM Global Ratings Policy. All visiting controller requests will be reviewed by either the vACC Director, Deputy Director, ATC Training Director or the Deputy ATC Training Director.

S3 controllers wishing to visit the BGvACC must first undergo a Sweatbox session with a vACC mentor on Sofia TWR (LBSF_TWR), then gain 10 hours of experience on LBSF_TWR, before doing a Sweatbox session with an APP mentor on Sofia Approach (LBSF_APP).

C1 controllers wishing to visit the BGvACC must first undergo a Sweatbox session with a vACC mentor on Sofia TWR (LBSF_TWR), then gain 10 hours of experience on LBSF_TWR, before doing a Sweatbox session with an APP mentor on Sofia Approach (LBSF_APP), then gain 10 hours of experience on LBSF_APP, before doing an online session with a CTR mentor on Sofia Control (LBSR_CTR).
